

Whatever Your Dream Ticket, Keith Prowse Attraction Tickets Has It Covered

Keith Prowse was one of the first theatre ticket agencies in the world, tracing its origins back to the end of the eighteenth century. They were also the first to offer airline flight tickets in 1911 and in 1991 they set up an attraction tickets business. They were behind the development of both the 10 Day World Ticket and the 14 day Ultimate Ticket for Walt Disney World Resort in Florida – both runaway successes. The acknowledged experts in the market, Keith Prowse Attraction Tickets offer the widest range of products and unique ticket combinations to theme parks, attractions and sightseeing tours all over the world.

In September 2009 Keith Prowse Attraction Tickets was awarded the accolade of “Best Holiday Add On Company” by industry newspaper Travel Trade Gazette. This was the second year running they have received the award (and the fourth time in total) and the commendation cited the Company’s “impressive willingness to respond to feedback from customers and the trade by continually refreshing its offering and delivering appealing and well-received new product.”

As well as offering individual theatre or tour tickets, Keith Prowse Attraction Tickets offers unique packages to provide holidaymakers with all the entertainment they need for a short break. The new **WOW!** tickets, available for London, New York and Las Vegas, bring together theatre, attractions, dinner and sightseeing experiences for an amazing price that is just a fraction of what the individual tickets would have cost if purchased separately.

The theme park capital of the world, Florida, is a very popular destination for the British and so a wide variety of tickets is on offer, either as stand alone or multi-park passes and exclusive packages put together by Keith Prowse Attraction Tickets, so whether it’s Walt Disney World Resort, Universal Orlando Resort or Worlds of Discovery – or a combination of them all - there’s a ticket option available. In New York the focus is on Broadway shows, a variety of city tours such as the Sex and the City Hotspots Tour, and attractions like Madame Tussauds, the Museum of Modern Art and Top of the Rock, the observation deck at the Rockefeller Center.

Keith Prowse Attraction Tickets offers two exclusives in Las Vegas – Bette Midler in The Showgirl Must Go On and Cher at the Colosseum at Caesars Palace. There are now also six different Cirque du Soleil shows, including LOVE which celebrates the musical legacy of the Beatles through their timeless, original recordings. With numerous other top name shows, helicopter tours, ranch adventures and jeep tours there truly is something for everyone. You can even be escorted down the aisle by an Elvis lookalike at the Graceland Wedding Chapel.

All the major American city destinations are featured, with tours available in New Orleans, Memphis, Nashville and Washington, DC and well as in Canadian cities Toronto, Niagara, Vancouver, Quebec, and Montreal.

Tickets for tours and attractions are also available in Hawaii, the Caribbean, Latin America, Ireland, Italy, Spain, Portugal, Majorca, the Canary Islands, France, Prague, Austria, Switzerland, Hungary, the Netherlands, Germany, Poland, Iceland, Denmark, Norway, Sweden, Croatia, Montenegro, Slovenia, Russia, Athens, the Greek Islands, Egypt, Turkey, Morocco, Oman, Jordan, Dubai, Johannesburg, Cape Town, Durban, India, Thailand, China, Hong Kong, Japan, Singapore, Vietnam, Australia and New Zealand.
