

ABOUT US

Celebrating over 10 years in business, *Select Apartments* is one of the largest serviced apartment booking companies in the UK. It offers corporate apartments in over 100 key destinations in over 30 countries worldwide. With offices in Harlow, West London, it provides its clients with high quality customized services throughout the UK.

Select Apartment clients are primarily corporate assignees and their families, from a variety of sectors with diverse accommodation needs requiring specific expertise in order to be harnessed to best use. Its properties meet uncompromising standards of quality, comfort and service, with offerings ranging from studio apartments in central London to three bedroom specialized buildings. By offering the latest and most comprehensive apartment listings on its website selectapartments.co.uk, teamed with strategic account management, *Select Apartments* is the best route to solving the 'where to stay' problem making temporary housing easy for clients and guests.
